Setup of competition side of Northeast website site was completed today.  
Also completed was the upload of the "2010 invitations" and "2010 Heat Breakdown". Please note this is **draft one** of the contest configuration and additional slots will be added based on interest of the competitors and alternates. The Invitations and Heat Breakdowns are examples ONLY based on member count as of 2010-01. Once all entries are received the contest will go through expansion and compression and these numbers WILL CHANGE:
