All heat sheets have been updated with the heat numbers plus time stamps, and then reposted to the web site. This will be the final DD review before going to paper. All Directors per reply back to me by Monday at 17:00, at which time the contest is "GOING TO PAPER". Once we have gone to paper, I will send a master set of heat sheets for all DDs to print if they want them for reference during the contest, but the information will have to be updated by each director, or you can follow the updates on the web site. My goal is to update the heat sheets from the beach during the contest as I started doing this year at the ESA Northeast and Mid-Atlantic Regionals.
