All district team summaries have now been merged into a single "Master Summary List" and all district lists have been removed from the SE-website. Expansion & Compression of the contest has been completed by Southeast Regional Director Burgess Autrey and me. All divisions are in the final configuration.

Also; almost all alternate have been slotted. It is very important that all Southeast Directors review these contest changes and notify your district members, particularly the alternates. The next step will be your Burgess will be working on a schedule and I will be starting the heats over the weekend. Directors please review and reply with any issues ASAP...
